Kismet Park Primary School

SCHOOL MATTERS - HAVE YOUR SAY!

Dear Families,

School Council invite families of Kismet Park along to our 2014 ‘Have Your Say!’ session. This is a great opportunity to:

- Meet and speak with your Parent representatives on School Council
- Hear about our 2013 achievements
- Learn about what we are doing to improve outcomes for your children
- Share your views and ideas with other families in small discussion groups

All children are welcome and will be supervised in another space.

Please complete and return the slip below by Thursday 15th May.

Yours Sincerely

Rod Munro (School Council President)
Glenn McConnell (Principal)
