KPPS Classroom Helpers Induction Program 2014

“In this complex world it takes more than a good school to educate children. And it takes more than a good home. It takes these two major educational institutions working together.”(D.Rich)

Dear Parents,

You are invited to attend our Classroom Helpers Induction Program that aims to make you familiar with expectations and procedures for working with children in the classroom. Sessions will be led by Diane Powell and Donna Matthews. Areas to be covered include:

- Protocols for working with children in and outside of the classroom
- Strategies for assisting children with Reading & Writing

To ensure consistency of protocols on the most appropriate way to support teachers and their students in their classrooms and establish clear understandings regarding the importance of discretion and confidentiality, we now require all classroom helpers to have attended an induction program prior to working in classrooms.

Therefore we encourage as many as possible to take this opportunity to register for this valuable induction program. Once you have attended the session you will receive a specifically labelled Name Tag that indicates to class teachers that you have been inducted in the protocols and approaches required to effectively and confidently support teachers and students in the classroom.

Please select one of the following sessions to attend and circle your choice on the return slip below:

- **Tuesday 18th February from 9:00am to 10:30am in the Staffroom**
- **Tuesday 18th February from 7.00pm to 8.30pm in the Staffroom**

Please return to your class teacher by Friday 14th February 2014.

Regards
Diane and Donna
